- 1. CALL TO ORDER/ROLL CALL**
  
- 2. A RESOLUTION SUPPORTING THE KENTUCKY RIVER LOCK 4 PORTAGE PLAN**

**Purpose:** To adopt a Resolution supporting the Kentucky River Lock 4 Portage Plan, to identify desired trails to connect people to community assets from both water and land access nodes.

**Background:** America's Great Outdoors program funds were used last year to create the Kentucky River Water Trail project, launched at Riverview Park. Numerous groups have tapped into the river as a focal point in developing downtown attractions and enhancing community walkability and biking infrastructure. The Trail Town Portage Plan is to connect the river to other points of interest locally, as well as up and down the river. Development of this infrastructure will provide an opportunity to offer updated and family-friendly amenities for both citizens and visitors alike.

**Financial Analysis:** Financial impact will be minimal.

**Recommendation:** Approval
